**Mutual fund investing involves risk; Principal loss is possible. The Fund invests in small and medium capitalized companies, which may have more limited liquidity and greater price volatility than large capitalization companies. The Fund invests in the stock of companies operating in Japan; single country funds may be subject to a higher degree of market risk. The Fund may experience higher fees due to investments in pooled investment vehicles (including ETFs).**

**Earnings growth is not representative of the Fund's future performance.**
